It has been said the value of advertising lies in its power to convince the public of the advantages to be gained in dealing with the advertiser. It is not the intention of the management of the Delmonico Cafe and Home Bakery to deal at length with customary advertising phrases that long since should have been cast into the rag bag of time. We have no desire to advertise in the sense in which that term is most generally accepted; we simply desire to state a few open facts which your investigation will necessarily verify.

## A STATEMENT OF FACTS:

The Delmonico Cafe and Home Bakery, located at 1512 East Eighteenth street, Kansas City, Mo., is the most thoroughly equipped Cafe west of the Mississippi, rendering as it does a service almost wholly to Negroes.

The rooms in connection are centrally situated at the Hub of the Negro District, and are the most modern and neatly furnished in their various appointments.

The Home Bakery in connection, while comparatively a new enterprise to the Negroes of greater Kansas City, has from the day it was installed measured well to the standard in the quality of their products. And has today in service the most finished Bakers ever employed by Bakeries of small capacity anywhere.

Our solicitation for your patronage, either to the local trade or the traveling public, is based on the foregoing facts coupled with service and as a guarantee of our position in this matter, the management of the Delmonico Cafe and Home Bakery willingly makes this proposition: To supply anyone of the recognized Charities of our people in this city with their bread and pastry for one year if the foregoing statement of facts can be disproven.

# Y. M. C. A. NOTES

The foundation for the new building has been completed and the concrete work will begin as soon as the casings are ready.

Fourteen thousand two hundred and ninety-eight dollars and ninety-five cents is the amount collected to date in the building fund; 1,019 persons have paid in full to this fund. Are you one of this number?

A few days ago we received a check from Mrs. Lucinda Day for \$30, paying in full her pledge to the building fund. This means much from one who has been so closely connected with the birth of the organization as has Mrs. Day.

Next Sunday afternoon the Men's meeting will be addressed by Rev. W. A. Bowen, pastor of the First Baptist Church of Kansas City, Kas. The men who have heard Rev. Bowen on previous occasions know what a treat awaits them and we invite those who have not heard him to avail themselves of the opportunity next Sunday, 3:30 p. m.

## CHILLICOTHE, MO.

By I. C. U. Know.

Mr. Floyd Dawson and Miss Alice Tally were visitors at Gallatin, Mo., last Sunday. Mr. Harold Estes of Des Moines, Ia., who spent the holidays with his relatives, went to St. Joseph, Mo., Friday, accompanied by Miss Ralph Anderson. There they visited relatives and friends for a few days and returned to their respective homes Monday. The following persons are on the sick list and they are the possessors of what goes to bring about a restoration of health: Mr. Wachum Bell, Mrs. Joseph Holmes, Miss Clemmie Banks and Mrs. Alvin of Minneapolis, Minn., and her brother, Mr. Sawney Tull of Council Bluffs, Ia., who are at the home of Mrs. Daniel Monroe. The revival meeting at the Baptist Church is increasing in interest. The evangelist sermons of Rev. Jackson of Kansas City, Kas., are heartfelt. Hence the services are well attended and several persons have gone to the mourner's bench in search of the peoples' friend. In the midst of this 80th birthday celebration Mr. Wm. Moore was pleasantly surprised by the Knights of Taber, who went to his home and gave expression of the respect they have for their oldest member. A delicious two-course lunch was served by the daughter of the venerable Mr. Wm. Moore. Mrs. Jennie Anderson was assisted by her lady friends. Mr. Joseph Holmes was given a similar birthday celebration several days ago by Miss Clyde Clark, at whose home he and his wife reside. Mr. Moore and Mr. Holmes are blessed with the present help of faithful children and grandchildren, and they seem to be enjoying that repose of life called old age. Misses Minnie Payne and Odessa Hillman organized a young ladies' club last week. Just now my knowledge of the new club is not sufficient to grant you the privilege of reading and saying to yourself I. C. U. Know all about it.

Mr. and Mrs. Jasper Bosler were called home on account of the death of the former's aunt. It was very painful to the public to know that Prof. Johnson was forced to give up school on account of his eyes. He has our sympathy as he had such an excellent system. Messrs. Washington and Brown gave an eight o'clock luncheon Thursday last week in honor of Miss Georgie Floyd of California, Mo. The table was decorated in pink roses and the whole evening was spent enjoyably. Mrs. Minnie Miller is taking her vacation this week and will visit friends and parents in Carrollton, Mo.
